### Tennessee Select Soccer Junior Academy

Tennessee Select Soccer Academy's Junior Academy is a program available to boys and girls ages 3-6. The Tennessee Select Soccer Academy's Junior Academy is designed to teach soccer skills, sportsmanship, and team play. We offer structured but easy to understand coaching sessions that properly teach younger children. In our junior academy programs, children experience practicing and playing on a team. All of our coaches have been handpicked to work with this young age group. They focus on developing each child to their best on the field, but they also understand the importance of keeping it fun. The cost of the program is \$85.

Times and Locations: Training will be held each Tuesday & Thursday, beginning on March 5th (through May 2nd), at McFee Park from 5:30 to 6:15 p.m (3-4 age group) and 6:15 to 7:00 pm (5-6 age group).
